Mary Valley Community photos for World Expo, Zaragoza Spain

When: Monday 12th November 2007

Why: For an awareness of the community spirit of the Mary Valley and the people the proposed dam is affecting. **The Save the Mary River campaign has been included as one of the 22 cases world wide that will be exhibited at Zaragoza, Spain in Jun-Aug 2008.** This is a world expo with the theme "Water and Sustainable Development" and a Pavilion of Citizen Initiatives entitled "*Homage to the Affected of Water Policies*". It is planned the "Homage" presentation will participate in other expositions in big cities all around the world after the closing of the three months Zaragoza exhibition.

Where: In front of the Kandanga Pub at 3pm (dressed in work or community activity gear – eg butcher, plumber, farmer, teacher, bowls, tennis, soccer, swimming, school uniform, etc) and at the Kandanga Cemetery for 5.00pm (Funeral attire - formal dress).

There will be a BBQ afterwards at the Kandanga Hall prior to the "Save the Mary – EIS submissions" Info night starting at 7pm.

We would like lots of people to participate so please come along as this is our opportunity to show our Mary Valley Community to the World.
