“Public Information Night” **and** **“Documentary Screening”**

Maryborough City Hall

Monday 19th March
7.00pm start

Come and find out more information about the **Senate Inquiry** helping reveal the truth about the proposed Traveston Crossing Dam and how you can be involved with submissions.

Learn about the **Mary River Council of Mayors Study** into water supply options for SE Qld with a strategy to meet supply/demand out to 2050, without the need to build a new dam.

Also the screening of our first documentary

“The Damning of Mary”

Telling the story of what it is like to battle to Save our Mary River
Compliments of **Big Love Productions**

Admission free
