

# SAVE THE MARY RIVER – BRISBANE GROUP

Dear Supporter,

Thanks for leaving your contact details at the QCC on Wednesday 23<sup>rd</sup> July. With your active support and involvement, we can spread the message to the broader Brisbane community and stop the Traveston Crossing Dam.

We need to get the facts out to Brisbane residents, who will oppose the dam when they become aware of the severe environment, social and financial cost to the local community, SE Qld, and the State generally. When the politicians realise that there is overwhelming opposition to the dam, the Government's resolve will collapse.

Right now we need to get the Brisbane group up and running. Last Wednesday was a great start but now it's time to start work on organising our campaign here and raise its profile in the city.

*Our next meeting will be held at the*  
**PIG 'N' WHISTLE TAVERN,**  
**123 EAGLE STREET, BRISBANE,**  
*commencing at 5.30 pm on*  
**Thursday 7<sup>th</sup> August.**

This venue is accessible until 6pm by the free Loop bus that runs clockwise around the CBD, or via the CityCat terminal at Riverside.

If you want to contribute in any way to this very important campaign, I urge you to attend this meeting and participate in the discussions. We need to maintain the enthusiasm and energy that was evident at last week's meeting, and assure you that your support and contribution to the campaign is valuable and appreciated. The more people involved in this campaign, the quicker we can stop the dam and save the environment of the Mary River valley.

Cheers,

*Steve Posselt*

## Draft Agenda

1. Election of office bearers and committee including Chair, Treasurer, Secretary
2. Name of group
3. Proposed actions:
  - Delivery of 23<sup>rd</sup> July presentations to communities throughout Brisbane
  - Parliamentarians
  - Media
  - Protest actions
4. General Business  
(Any suggestions would be greatly appreciated)
